

Please keep the no call list in Wisconsin strongly enforced. I am on a disability and only sleep a couple hours at a time. I have a phone by my bed and want it for family emergencies only. I have been receiving survey calls from a pro-life organization and I don't choose to give my personal opinions on that subject to a stranger either. I have really appreciated the efforts of the no call list in the past year or so and certainly hope that this effort will continue.

Thanks for your consideration.
